

**Lab 10 – Deadline: lab 12 (same groups of minimum 3)**

**Themes laboratory:**

1. Refactoring
2. Team coordination, negotiation

**Problem 1 [10 points]**

On established themes continue work at the project (**All names will be in English**). On first functional version every member will perform refactoring following one of the models from <http://sourcemaking.com/refactoring> (10 p)

One person from the team will coordinate the team and will know what the members have done and will make a short presentation of components made by them. Also this person will establish and negotiate points that deserve each team member.
